

Bridal Beauty SURVIVAL KIT

MAKEUP MISHAPS

- Blotting papers to battle shiny skin in your photos
- Makeup remover pads if you get misty-eyed
- Lip gloss to keep you looking polished
- Q-tips for smudges
- Eye drops to quell redness
- Facial tissues to wipe away what needs to be wiped away

HAIR HIJINKS

- Hair spray for quick pickups (and clingy dresses)
- Extra hairpins for updos (but ensure the style passes a jump test, too)
- Compact mirror for periodic dance floor checkups
- Travel comb and brush

DRESS DEBACLE

- Clear nail polish (if you're wearing stockings) to fix runs
- An emery board, to prevent snags in case you get a jagged nail
- White chalk to cover any stains or scuffs
- Dry shampoo to keep sweat at bay under the arms and down the bride's back
- Feminine hygiene items
- Band-Aids for blisters and cuts
- Krazy Glue for heel fixes and veil tears
- Double-sided tape and safety pins to hold whatever needs to be held together together

KISSING CLOSE-UPS

- A travel toothbrush and toothpaste
- Floss and mints
- A sample size of your favorite fragrance
- Antacid, aspirin, and Pepto-Bismol to banish prewedding nerves and aches
